## The New Club 3-D

### BASC's Local Dance Spot

Club 3-D has moved a few doors down to the old CVS building adjacent to Big Lots. Some of us went to the opening preview on June 30th and were pleasantly surprised at what we saw. The new location is a big space with separate areas for the bar and the pool tables. You will love the lights and the huge lava bar. The sound system sounded great and the dance floor is good and smooth and is only one little step-up from the seating area. The seating area is much closer to the dance floor and when we dance all of us will be up close and personal. I can't wait for our club to take advantage of the new facility. We will dance on Saturday, July 23<sup>rd</sup> from 8:00 - 10:00 PM. Please come out and let's claim all the seats adjacent to the dance floor and let's keep the dance floor full!

## Runway Boogie

Tickets for the 10th Annual Runway Boogie (See flyer on page 3) are selling quickly. We are getting orders from out of state and out of town shaggers every day. 80% of the tickets have been sold so be sure to get your order in ASAP. Only 250 tickets will be sold. Charlie will have tickets each Monday night at shag lessons as well as our monthly night to dance at Club 3-D on July 23rd!

The Beaver Sleep Inn is sold out so if you need lodging for the weekend please call The Microtel Inn & Suites on Eisenhower Drive (about 5 miles to the Hangar) at 304-255-2200 and get that room reserved. Microtel is a 100% non-smoking facility.

The Club has chartered a bus (not a van) to shuttle dancers between the Hangar and both hotels and better accommodate the demand for those staying at either hotel. Parking is limited at the Hangar and we encourage dancers to park and ride the shuttle. The bus runs both Friday and Saturday evenings but not on Saturday morning for the workshops.

## WV Hangar Classic CSA Contest & Party

The 2nd Annual Competitive Shaggers Association (CSA) Contest will be held at the Hangar October 14-15, 2011.

This year, the CSA/WV Hangar Classic will be a joint effort including all the West Virginia Clubs providing sponsorship for the contest and gaining recognition for their participation as a WV Club hosting the event. Last October's contest featured many competitors with the Newcomer Division on Friday evening and Amateur and Novice Divisions on Saturday afternoon and Junior I and II and the Pro Divisions on Saturday evening.

The same offerings will be provided for this party as with all our Hangar parties with food and drink provided. There will be plenty of dancing between contests and an opportunity to meet other shaggers and share a dance is what the shag is all about.

## Shag Lessons

The new Club 3-D is gracious to provide a place for Charlie and Tammy to teach shag lessons on behalf of the club. These lessons are a big commitment for any instructor; however, it also reaches out to the public and gets our club's name out there to help grow our membership.

## Congratulations goes to:

## Information and Articles Needed

The club needs articles for the newsletter that is published every three months. If you have something to share about anything dance related be certain to send it to me at my home e-mail address: [shagbasc@suddenlink.net](mailto:shagbasc@suddenlink.net) If you have attended a party, took a lesson, shared a step, etc., we welcome your input.

## Volunteers Wanted for August Hangar Party

Please let us know how you would be willing to help with the August 12-13th Hangar Party.

## Condolences

The Club extends our deepest sympathy to Christy O'dell in the loss of her Father, Edward 'Ted' Lippitt, July 5th.
